Dr. Margie Sipe is the Associate Dean for Academic Affairs at the SON, MGH Institute of Health Professions, Boston, MA. She redesigned the DNP program into an innovative integrative curriculum that weaves key concerns of justice, equity, diversity, and inclusion, and climate change advocacy. Dr. Sipe also has an appointment at the Institute of Patient Care at Mass General Hospital. She serves on the NLN National Policy Committee and is active in regional/national organizations, including the American Organization for Nursing Leadership, where she is an inaugural Fellow. Dr. Sipe received the Nursing Archives Associates Mary Ann Garrigan Award last fall. Dr. Sipe has a DNP in executive leadership from the MGH Institute of Health Professions, an MS/Nursing from Boston College, and BSN from Lebanon Valley College.
